ANNIVERSARY FEE: Each family will be charged an anniversary fee of \$35. This fee is good for one year or until you drop out of the program.

COURTESY LESSON: At Americas Kids (SwimAmerica, TumbleAmerica, and DanceAmerica) continuity plays a big part in our proven curriculum. The best route is for your student is to attend their scheduled class time every week however because life happens, we do issue lesson vouchers! The following requirements for vouchers are made so that the courtesy lesson process is fair to everyone. Courtesy Lessons are a privilege that we are happy to offer however, no exceptions to the following rules are allowed. Thank you.

To qualify for a courtesy lesson voucher, the scheduled lesson must be cancelled by 10 a.m. on the scheduled lesson date. if you do not call you forfeit any possible courtesy lesson.

Please call 325-6587 to report an absence.

Courtesy lesson vouchers are good for one year from the issue date for all currently enrolled students.

COURTESY LESSONS MAY ONLY BE SCHEDULED THE SAME DAY OF THE LESSON. Courtesy lessons may be redeemed by calling between 8:30 and 10:30 a.m. on the morning you wish to use the voucher. if there is an opening you will be accommodated for a courtesy lesson that day. There are no advanced courtesy lesson reservations taken.

You must present the voucher at the beginning of class. They can be picked up at the front desk anytime after your absence was called in.

Vouchers are non transferable, have no cash value, and may not be applied toward a tuition payment.

Vouchers may, however, be used for posted Family Swim Nights. One voucher may be used for the whole family. (See Family Swim night poster for specific dates).

Vouchers may be used only by the child listed on the voucher, if the voucher is being used for a courtesy lesson.

If the voucher lists a level and your child has since moved up, the voucher may still be used for the new level.

Once a courtesy lesson is scheduled, an additional cancellation will deem the courtesy class no longer valid.

Swim America is not responsible for lost vouchers. Because of our large volume of classes and always changing availability, we are unable to give a list of specific times. The website lists current openings.

It is always best for your child to attend their regular class...but when life happens, give us a quick call at 325-6587!

TUITION PAYMENTS AND DROP PROCEDURE: I understand if the above named person is enrolled in a program that has installment monthly tuition I am continuously enrolled in the program and I will incur installment monthly tuition charges on my account until I submit an America's Kids class drop request. This document may be obtained from the America's Kids Business Office or downloaded from our website www.SwimandTumble.com. If I am dropping a class (with installment monthly tuition) it must be done on or before the last day of the month. If I drop a class after the month begins I will not receive credits and/or refunds for the remaining classes in the current month. I understand that America's Kids does not give make-up classes, credit and/or refunds for, but not limited to programs, class(es), inflatable's, gymnastics, tumbling, cheerleading, clinics, camps, private lessons, birthday parties, birthday party guests, bring a friend, play time, field trips, Special Olympics, swimming, competitions, preschool, group activities, family fun nights, parents night out, trampoline, dance, karate, circuit training, running, free weights, conditioning, obstacle courses, personal training and group fitness, missed and/or cancelled due to holiday, vacation, illness, weather or any other reason. America's Kids does not issue refunds. All sales are final for any product and/or service purchased and/or provided by America's Kids. If I should receive five classes during the month instead of four there will be no extra charge although it will be considered a makeup for classes missed while we are closed for holidays. We've found that during the course of a year this averages out nicely and is a far less confusing payment arrangement for everyone concerned. I am responsible to make timely payments of my balances due on my America's Kids account. From the date of registration forward my entire account balance shall be due the 1st of each month. I understand this only applies to programs that have installment monthly tuition. Fees for other products and/or services shall be paid for at the time of purchase and/or registration. If my payment is not received on or before the due date, America's Kids will initiate electronic payments for any balances due on my account PLUS an administrative late fee up to \$25.00. Payments will be processed with the payment method/information I have chosen on the registration form that is kept on-file with America's Kids. If provided, an e-mail notification will be sent any time a payment is processed. I acknowledge that this authorization will remain in effect until I notify the America's Kids Business Office in writing that the authorization should be terminated. If for whatever reason, payments cannot be processed and my account balance remains overdue, understand that my enrollment in classes will be cancelled. I will be responsible for all costs incurred for collection of any delinquent payments, including but not limited to collection/ attorney fees/ court costs. I understand that monthly payment amounts may vary as classes are added or dropped and as other charges/payments are applied to my account. A \$25.00 late/insufficient funds fee will be charged for all un-paid accounts monthly. New and updated billing, address and telephone information is the responsibility of the member, and not the responsibility of America's Kids to notify the member of expired/declined credit cards and EFT returns. All overdue accounts,

including cancelled accounts, will be charged \$25.00 late fee each month until the account is paid in full or arrangements are made for payment. All currently enrolled students will be charged an annual registration fee of \$35 per family that will be posted to my account on the 1st of the month of my registration anniversary date with America's Kids. America's Kids reserves the right to modify the terms of this agreement without written notice.

WHAT TO WEAR

Swim America Classes: Swimming, in relation to other sports doesn't require a lot of gear to participate. No pads, no skates, no cleats, etc. etc. But the gear that we do have is very important! Here are a few guidelines to make sure your child is properly equipped.

Swimsuit- When it comes to a swimsuit, less is more. Big bulky swimsuits, retain water, making it difficult to be buoyant and stay on the surface. The ideal swimsuit for learning is a one piece polyester suit for girls and a jammer style polyester suit for boys. (Like they wear in the Olympics!)

Goggles- Goggles help keep water out of our young swimmer's eyes and can make swimming more comfortable and help instill confidence quickly.

Swim Caps- The purpose of a cap is most likely what you thought it was for; to keep hair out of a swimmers face. If your swimmer boy or girl has hair that gets in their face, chances are that they'll be concentrating on keeping it away, translating to incorrect head and body positioning while swimming. All girls with anything other than very short hair should wear a swim cap if they are level 4 and above.

Swim Fins- Fins become important teaching tool once a swimmer has mastered kicking propulsively for 15feet on their front and back. Fins help build leg strength and give your swimmer a better kick and feel for the water.

Infant toddler swimmers: All infant toddler swimmers are required to wear a reusable swim diaper. (One will be given to you upon initial registration)

For all Swim Classes: No chewing gum, food of any kind, bobby pins, hair clips and shoes are allowed on the pool deck. Thank you for helping keep Swim America clean!
